

Appendix A: Romantic Anthologies, 1770-2014

This list catalogues anthologies of Romantic writers—based on shifting eras of Romantic literature in Britain (1789-1832), America (1830s-60s), and Canada (1867-1900). Chris Koenig-Woodyard, author of the “Anthologizing and Teaching Transatlantic Literature” essay in *Teaching Transatlanticism*, supplied the list as an appendix for the book chapter on his course, Transatlantic Romanticism and Anthologies.
